

YOU&i™ Support Program

Connect IMBRUVICA® (ibrutinib) patients to complimentary personalized support

Help patients learn about access to IMBRUVICA®, find affordability support options, and sign up for information and resources to help them along their treatment journey.

Access support

- Rapid benefits investigation
- Information on prior authorization process
- Navigating the exception and appeals process

For patients with insurance coverage decision delays

YOU&i™ Start Program: Eligible new patients who have been prescribed IMBRUVICA® for an FDA-approved indication and who are experiencing an insurance coverage decision delay greater than 5 business days can receive a free, 4-week supply of IMBRUVICA®. The free product is offered to eligible patients without any purchase contingency or other obligation.

Affordability support options

For patients with eligible commercial health insurance

YOU&i™ INSTANT SAVINGS PROGRAM Your commercially insured patients pay no more than **\$10** per prescription* of IMBRUVICA®

*Eligible patients may qualify for \$10 per prescription of IMBRUVICA® until the maximum limit of \$24,600 per calendar year is reached. The Instant Savings Program applies to commercial insurance co-pay, deductible, and coinsurance medication costs for IMBRUVICA®. This program cannot be used with any other federally-funded prescription insurance plan which includes Medicare Part D, Medicare Advantage Plan, Medicaid, TRICARE, or any other federal or state health care plan, including pharmaceutical assistance programs.

For patients with federally funded Medicare, Medicaid, or commercial insurance

Financial assistance may potentially be available from independent charitable organizations. Contact information for such independent charitable organizations is available upon request.

Independent charitable organizations have their own rules for eligibility. We have no control over these independent charitable organizations.

Other Resources: Johnson & Johnson Patient Assistance Foundation, Inc. (JJPAF) provides free prescription medications to eligible individuals without insurance coverage for their medicines and those who do not have adequate financial resources to pay for them. To see if they might qualify for assistance, please have your patient contact a JJPAF program specialist at 1-800-652-6227 (9 AM-6 PM ET) or visit the foundation website at www.JJPAF.org.

Nurse call support & resources

The YOU&i™ Support Program also offers nurse call support services to provide information and respond to patients' questions about their disease and IMBRUVICA®

The YOU&i™ Support Program has nurses who are available to support your patients with†:

- A resource-filled Starter Kit designed for new patients containing:
 - Disease information
 - Calendar and symptom tracker
 - Information on IMBRUVICA®
 - Tips on building a medication routine
- Nurse call support personalized to patients' preferences for frequency and method of contact (call, email, or mail)
- Refer patients seeking medical advice back to their healthcare providers

†The YOU&i™ Support Program is not intended to provide medical advice, replace prescribed treatment plans, or provide treatment or case management services. Patients are advised to always talk to their healthcare provider and treatment team about any medical decisions and concerns they may have.
