# ONCOLOGY AND MALNUTRITION: BURDEN ON OUTPATIENT RESOURCE UTILIZATION AND EVIDENCE-BASED PRACTICE FOR CARE

Virtual

**Tuesday, November 9**  
**4:15-4:45 PM EST**

Association of Community Cancer Centers

Please join us in a presentation and dialogue discussing the prevalence of malnutrition in patients with cancer, the guidelines for the nutrition care of these patients, and the impact of malnutrition on healthcare resource utilization and costs. Time for Q&A and discussion will be accommodated.

Please **[click here](#)** for full conference program and registration details.

The Industry Showcase is not a Continuing Education (CE) activity.
